

*“Placing our Residents First”*

A Note from Mother Marguerite, Administrator of Jeanne Jugan Residence

June 2, 2020

Dear Families and Friends,

We are very pleased to announce that we currently do NOT have any COVID positive cases in our Home!

Per the guidelines of the California Department of Public Health we have tested all of the Residents on the skilled nursing floor, the Little Sisters and the staff for COVID. We are waiting for everyone's results, however those we have received to date have all come back negative.

If you would like your family member on either the 1<sup>st</sup>, 3<sup>rd</sup> or apartments to be tested for COVID-19 please let me know. We will need to go through their health insurance and get it approved, as LA County hasn't made arrangements for assistive living, residential care or independent living to be tested just yet.

Following the CDC and CMS guidelines for long-term care facilities, as well as the directives of the mayor and the governor of California, **we are extending our restrictions for all visitors until we have been cleared by the Department of Public Health and the CDC.**

Our dedicated staff and Little Sisters have been working tirelessly to make sure that your loved ones remain safe and healthy. Please stay at home and minimize social contact as much as possible. This will keep your family members safe.

Thank you for your understanding and collaboration as we make decisions for the health and safety of our Residents and staff. We will continue to keep you updated with any new developments.

We pray that God will protect all of you and your loved ones during this time.

United in Prayerful Support,

*Mother Marguerite*
